

CUSTOM CRAFTED ADVENTURE WHEELS

 | **DUBYA** *ADV*

ADVENTURE WHEELS

- We offer complete custom wheels for your adventure bike, featuring Haan Wheels hubs and Excel rims.
- Upgrade your OEM wheels for ultimate reliability.
- For increased offroad ability we recommend wheels in sizes 21x1.85 (front) and 18x2.50 (rear).
- Replacement Excel Rims and ultra strong spoke sets available.

HUBS

- Haan Hubs are CNC machined from 1 piece billet 6082 T6 alloy
- Centertube and spacer are made of 7075 hard alloy
- Haan hubs come fitted with Koyo bearings, which are easily available (no special sizes).
- Original brake disc and sprocket can be mounted on the hubs.
- Sprocket & brake bolts are included with the hubs.
- Cush-drive hub available for select models.
- Made in the Netherlands

HUB COLOR OPTIONS: SILVER / GOLD / BLACK / YELLOW / BLUE / RED / GREEN / TITANIUM / MAGNESIUM / ORANGE

RIMS

- Excel rims are made in Japan from 7000 series alloy
- They are also available as replacement rims for other brand wheels and hubs, including original equipment.

RIM COLOR OPTIONS: BLACK / SILVER / GOLD

SPOKES

- Made from a special stainless steel and up to 30% stronger than original spokes.

TUBELESS ADV WHEELS BY HAAN WHEELS

- Complete Tubeless wheels for your ADV motorcycle with Haan Wheels hubs and Excel rims.
- Special tape prevents the kit (lute) from getting into the nipples and allows for sufficient adjustability so that you can adjust the spokes. Haan uses a specially designed machine to apply the special kit (lute), which is finished by hand. This kit has been developed to withstand both high and low temperatures, while remaining flexible.
- Wheels are supplied with air valve installed.

*** 2.15" MINIMUM RIM WIDTH FOR TUBELESS OPTION**
